

We are looking forward to seeing you at your upcoming camp! This email includes information you need before you arrive.

1. **Physical Examination Forms (by your child's doctor) and Immunization Records are mandatory.** We require your doctor's form showing your child's immunization record and most recent physical date (must be within 18 months of the camp date). **If you have not already submitted**, please do so today, or bring the forms to the check-in table Monday morning. Information is provided in the Immunization doc link below. [Hockey House Camp Health History Form](#)

2. Camp policies and procedures, including:

- Check-in / Check-out procedures
- Water and hydration policies
- No scissors, knives or other sharp objects allowed at camp
- Lunch Policy
- Employment background information
- Emergency care procedures
- Plan for the administration of medication and recording medication
- Care of mildly ill campers
- COVID policy and protocols
- Discipline policy
- Meningitis information

3. **Health form:** Camper information was filled out during the registration process, we also need immunization and physical form from your child's doctor. See #1 above.

Campers **CAN NOT SIGN IN AND PARTICIPATE unless we have their Immunization Record and Physical Form** before or at the start of the first day of camp. Sunscreen permission is on Health History Form
